Mary,
I do hope that you can help me. I have been given your email address by Jodi Dew. She said that you have done extensive research on the Nunnally family. I am trying to find the ancestors of my third great grandmother, Lucy Ann Nunnally b. Abt. 1833 in Chesterfield County. I got her age from the Chesterfield 1860 Census where she was listed as being the wife of William H. Reaves. That was a misprint because her husband's name was William Harrison Reams. Right after her listing is an Allen J. Nunnally who married a Martha Sadler in 1844. The Sadler family had ties to the Reams line so I am suspecting that Allen J. could have been Lucy's older brother. Her son, Algernon Sidney Reams resided in Manchester. Other names associated with my line are Flournoy, LaPrade, Horner, Rudd, Worsham, Womack. If you have any idea of which Nunnally my Lucy might be kin to, please email me at: sally17@adelphia.net.
Thank you,
Sally Cunningham

Hi Sally,
Believe I found something...........first, must tell you why I have Nunnally/Nunneley records. Many years ago, a friend who had a Nunnally line in Chesterfield Co. and I, who researched in Amelia Co. started reading will, court order book, deeds and marriage records for several VA counties searching for Nunnally and variant spellings. The many pages of material that we have is not indexed, so it takes reading and more reading to find anything. But........found something for you:

Arthur Nunnally married Mary Robertson on 12 Nov 1827 in Chesterfield Co. VA

Mary Nunnally posts bond in the amount of $800 as adm. of Arthur. Security: William D. Fuqua and Samuel M. Fuqua. 13 Oct 1845

1850 Chesterfield Co. Census
Mary Nunnally / age 55 / wf / $550
Sarah Nunnally / 19
William Nunnally / 16
Josephine Nunnally / 10
(I do not have the actual census, only a short transcription)

Chesterfield Co. VA
Mary Nunnally
Died / 9 May 1853
Age 59
Chronic disease
Born / Chesterfield Co. VA
Daughter of George and Mary Robertson
Husband / Arthur Nunnally
Informant / DAUGHTER - LUCY H. REAMS

Since we were beginners, we did not list all sources. Now 15 years later, I know how important it is, but the info is still good........you will just need to look for it in the various records in Chesterfield Co.
